Subject: NADE Pacific Region 2021 End of Year Report

The 2020-2021 NADE year continued to prove difficult through the COVID 19 pandemic. Across the Pacific Region, different DDS offices are in various states of working from home, a hybrid schedule, and being back in the office.

Throughout the last six months, I have contacted the chapters to provide updated membership lists, and forward any communications received by the NADE president and others. I attempted to recruit members for national committees and was successful in garnering interest for the Hearing Officer committee.

Upon request, only one chapter provided updates for the latter half of the NADE year.

Nevada:

- 1/2021- Delivered donation items to a youth homeless shelter from a holiday drive we had.
- 2/2021- Held a virtual recruitment event, a \$50 giftcard was raffled. They gained 1 member
- 3/2021 Chapter Elections
- 4/2021 Celebrated Donate Life month with a raffle for \$50 giftcard for employees who donated money, community service, blood donation, or signing up as an organ donor to an organization of their choice.
- 5/2021 Had a fundraiser for chapter in which they raffled 2 baseball tickets.
- 6/2021 Celebrated NDPW by leaving Help Me With Your Best Shot gifts on employees desks, raffled memberships for 2 employees, and did a virtual trivia quiz contest for giftcard.
- 8/2021 Hosted snacks for a blood drive event at the office.

For the end of the federal fiscal year, NADE will be donating to charity based on number of goals met.
