Subject: NADE Past President Mid-Year 2020-2021 Report

As Past-President, I have worked closely with the current NADE President Sara Winn, when it was necessary. I have been available to answer questions and provide input on NADE issues as requested.

I reviewed and voted for the new contract for Amanda Underwood NADE Webmaster.

I have participated on conference calls with Associate Commissioner, Office of Disability Determinations, John Owen. These calls are vital to the relationship NADE has with SSA and have given excellent insight into current situations and plans of Social Security and Disability Determination. I look forward to continued conversations with Mr. Owen in the future.

I have been on calls to discuss the Montana Chapter conference information for 2023 Montana National Training Conference as directed by President Sara Winn. Due to COVID-19 restrictions/precautions, the 2020 and 2021 conference was cancelled. Also, attended conference call to discuss the Vermont's conference proposal for 2022.

I have worked on revising the Committee Members Charges to make them more manageable with President Sara Winn and President Elect Marjorie Garcia.

I have attended the SAAB Forums with Sara Winn and Marjorie Garcia.

I am grateful for the opportunity to serve NADE and look forward to the rest of this year.

Respectfully submitted,

Dr. Sharon Bland-Brady
NADE Past-President
