Subject: NADE Retirees Committee Mid-Year Report 2021

It is an honor and a privilege to be serving NADE as the National Retiree Chair. Evening in this pandemic I have continued to receive a few names and email addresses and add them to the Retiree Distribution List. To stay in touch with the retirees I have sent emails to the retirees on occasion that are on my distribution list. I however, have not received any association reports to forward to the retirees at this point.

Thanks to the Regional Directors and other members for their help in obtaining names and e-mail addresses for current members that have retired and continue to maintain their membership. I encourage all of you to continue to forward this information to me so that I can keep the current active retirees updated.

Respectfully Submitted,
Donnie E. Hayes
NADE National Retiree Chair
