Subject: NADE Support Staff Mid-Year 2021 Report

I have currently made contact with all committee members and asked for their feedback by email about issues that are unique to NADE Support Staff Members and how their agencies are functioning during the pandemic.

We have no activities to report at this time.

Currently, our committee consists of the following members: Cindy Rose, NC; Crystal Bach, SD and Hadassah Rachel Azoulay, CO

Thank you for this opportunity to serve and work together, to make a difference in NADE.

Respectfully,

Betty Emerson
