As Chair of the CCP, I have kept the Presidents list up to date I have been available for Chapter Presidents, providing ideas for fundraisers and possible Membership Drive Incentives. I had a Teams Meeting for all CCP to meet each other and discuss ideas on how to navigate NADE in the world of teleworking. I have participated in all NADE meetings as requested. As CCP Chair, I am available for questions from Chapters as needed. I will also work with the planning committee for the National Conference to plan the CCP meeting.
