Subject: Mid-Year Report

The National Disability Professionals Week committee is submitting the following theme to the board for approval: **Through It All NADE Stands Tall**. NDPW will be celebrated June 20-24, 2022. However, we understand that some Chapters may need to spread the celebration out through the month of June. The committee will ask that submission for the NDPW award be turned in by Friday, July 8, 2022. The Chapters will compete for first and second place awards to be given at the National Training Conference. The first place chapter will receive \$25, and the second place chapter will receive \$15. The chapter who submitted this year's theme will be awarded a check for \$10 at conference. Two chapters submitted suggestions for the theme, and the winning theme came from THADE.

Once the committee has been notified the board has approved of the suggestion, an email will be submitted to the NADE President and CCP Chair for distribution to the RDs and chapters to officially announce the theme and deadlines.

Respectfully Submitted,
Marcia Golden
Committee Chair
