Subject: NADE President-Elect

Thank you for allowing me to serve as president-elect as NADE. I have been available to the NADE president to learn and provide advice and consent. I have participated in meetings with the NADE board and with the NADE executive officers on calls with the Office of Disability Determinations. I have helped the NADE president prepare for the NADE mid-year board meeting.

I have been involved in a NADE national conference planning meeting with the Vermont chapter. As I also serve as the NADE legislative director, I will be planning meetings along with the NADE president with key stakeholders to occur after the NADE mid-year board meeting.

Respectfully submitted,

Jennifer Nottingham
NADE President-Elect
