Subject: NADE Secretary 2022 Mid-Year Report

Thank you so much for the opportunity to serve as the Secretary of NADE! It has been a new adventure as I have been learning my duties in this position. I am especially grateful to Tonya Scott and Marjorie Garcia, as they are both always ready and willing to answer any questions I may have. Tonya Scott has compiled an operations manual, which has been an especially helpful reference.

I prepared the minutes for the NADE New Board Meeting, which was held virtually in December 2021. The Midyear 2022 reports were requested and will be shared with the Board for review/approval prior to posting on the NADE website. I have maintained communications with the President Marjorie Garcia, Past President Sara Winn, and other members. I have participated in conference calls, as scheduled by the President, and complied with any requests.

I am enjoying my new role, and am looking forward to working with all of you more in the coming year!
