

To: NADE Board of Directors
From: Jennifer Pounds, CCP Chair
Date: June 28, 2022
Subject: 2021-2022 Year End Report

Since my mid year report, I attended the Mid Year Board Meeting in Baltimore Maryland, February 27- March 2. I have also participated in virtual Board Meetings when called by NADE President, Marjorie Garcia.

I have continued to keep the CCP notified of all NADE upcoming events. I sent out an email in April encouraging chapters to plan events to promote Organ Donation and submit a summary along with pictures to the NADE Organ Donation Chair by the end of the month.

I also sent an email to the CCP with the NDPW theme and again encouraged chapters to plan fun and creative activities for that week. I told them if they had any questions to feel free to reach out to me for suggestions.

I have continuously kept the CCP list up to date as Chapters have their yearly elections. I always reach out to the new Chapter President, welcoming them to their new role and letting them know I am available if they have any questions.

I have solicited the CCP for anyone interesting in running for the position for the FY2022-2023. I will mentor the new CCP who will be elected at the NTC in Vermont.

It has been an honor to serve NADE in this capacity.

Respectfully Submitted,

Jennifer Pounds
