Subject: NADE Strategic Plan committee end of year 2022 report

The Strategic plan committee reviewed the Strategic plan this past year. Some “clean-up” and revisions were needed to the Strategic Plan, based on the elimination of some positions and the restructuring of some of the duties of the NADE Board and committee chairs. These “clean-up” revisions were approved at the November 30, 2021, General Assembly meeting.

In December 2021, the new NADE Board of Directors approved committee recommendations for modifications to some of the plan’s objectives. New language was proposed and reviewed by the committee. The new updated plan has been published on the NADE website.

The Winter 2021 Advocate published my article on the Strategic Plan and requesting membership feedback. No feedback was received. The committee has no recommendations for changes to the Strategic plan at this point in time.

Thank you for the opportunity to serve as Chair of this committee.
