Subject: NADE Support Staff Committee End-Year 2022 Report

Hello,

This is my first time as a NADE Committee Chairperson. I was and am very excited and honored to be appointed to this position.

This past year I tried to recruit more members to the Support Staff Committee as well as encourage our members to use the Support Staff Member Group. That did not work out so well, but I hope this will be used more in the future. We continue to look for ways to recruit new support staff members.

Comments and feedback from support staff included cross training, overwhelming workloads and attrition.

I am grateful for David Assaleh, OK, and Liz McGee, UT, for serving on this committee with me.

Thank you for this opportunity to serve NADE and its members.  
Respectfully,

*Crystal Bach*
