Subject: 2023 Midyear Report

I am honored to continue serve NADE in the capacity of Communications director. I worked with the outgoing Communications director to transition to my term. I have published one Advocate thus far and plan to release another one after the midyear board meetings.

Please encourage your chapters to send in articles and pictures that they would like to see spot-lighted in the Advocate. Submissions can be sent to [sara.b.winn@ssa.gov](mailto:sara.b.winn@ssa.gov). I look forward to serving as Communications Director for the year 2023-2024.
