Subject: NADE Constitution & Bylaws Mid Year Report 2023

First, I would like to thank our current president, Jennifer Nottingham, for allowing me to continue to serve in this capacity for the betterment of the National Association of Disability Examiners (NADE).

During this period, the NADE Bylaws were updated to include the changes voted upon at the NADE 2022 Training Conference in Vermont, which included redefining the regions. The updated Bylaws have been posted to the NADE website. I give thanks to the members of the committee for assisting with completing this task. I have also assisted in reviewing the updated bylaws for the new regions.

I continue to familiarize myself with the NADE bylaws in order to be available to provide advice and answer questions from local chapters, Board officers, and President Jennifer Nottingham.

The committee will continue to work assisting chapters and regions with various tasks, as needed.
