Subject: Legislative Director Mid-Year 2023 Report

Thank you for allowing me to serve as the NADE legislative director. In this position I have been available to the NADE president and board for advice and consent.

In July 2022, I attended virtually the NADE Conference and participated in the annual board meeting. I was able to share my experience and training information with our local NADE chapter.

In August 2022 I assisted with the submittal of the review and comment on the proposed changes to Listing 4.00/104.00 (Cardiovascular Disorders).

Additionally, in August, I worked with our President to gather and compile responses to the “Audit of DDS-Covid-19” survey and provide my feedback as well.

I worked with NADE President Jennifer Nottingham on a position paper regarding the “Stop the Wait” proposal, however the responses previously submitted were sufficient.

In December 2022, I participated in the NADE Quarterly call with ODD and suggested topics such as incomplete reconsideration applications,

Additionally, I have provided support and feedback regarding inquiries from President, Jennifer Nottingham. As a local Chapter member, I gathered ideas to bring forward at national NADE meetings, and shared updates back to the local chapter.

I will continue to be available to the NADE board to help share information and provide advice and input. I appreciate having the opportunity to serve NADE.

Respectfully submitted,

**Reagan Lederman**
