Thank you so much for the opportunity to serve as the Secretary of NADE! It was wonderful getting to see everyone at the NTC in Burlington. I'm looking forward to this year's conference in Helena, Montana!

I prepared the minutes for the NADE New Board Meeting, which was held in Burlington, VT on August 3, 2022. The Midyear 2023 reports were requested and will be shared with the Board for review/approval prior to posting on the NADE website. I have maintained communications with the President Jennifer Nottingham, Past President Marjorie Garcia, and other members. I have participated in conference calls, as scheduled by the President, and complied with any requests.

I am looking forward to working with all of you more in the coming year!
